

Omadbek Jaloldinov

Full-Stack Web Developer

Phone: +998 33 549-10-66

GitHub: github.com/jaloldinov

Email: jaloldinovuz@gmail.com

linkedin.com/in/jaloldinovuz

Passionate Front-end development with just a year of hands-on experience in developing scalable and maintainable websites using a wide range of front-end skills like HTML, CSS, Bootstrap and JavaScript etc. Developed many websites from scratch. Looking to further enhance my skills as the future full stack developer.

EDUCATION

The App Brewery in London | Online Bootcamp

[2019 - 2020]

Bootcamp that focus on full-stack web programming.

uDevs IT-Outsourcing Company | Bootcamp
